

NRF Retail Law Summit Overview

Event Description:

The second annual NRF Retail Law Summit is a two-day virtual conference providing retail in-house attorneys with an opportunity to attend educational sessions on current legal issues while earning CLE credits and to participate in a professional development session. NRF's goal is to provide this key audience with the tools and instruction needed to provide advice and counsel to their own organizations. This event may also include a networking opportunity.

Theme Ideas:

- Resilience
